

## Scout Hiking Staffs From 1-800-SCOUTER

These "back to basics" sticks are made the old fashioned way, like your grand-father would have made them. Each stick is hand cut; heat seasoned in a drying house; carefully sanded to allow the grain and bark to "glow," then finished with lacquer and fitted with a leather thing and steel-reinforced rubber tip so you can always walk softly in the woods.

#1409 Hickory 54 - 60"	\$18.95
#1431 Hickory 48"	\$14.95
#1410 Sassafras 54 - 60"	\$18.95
#1432 Sassafras 48"	\$14.95
#1414 Dogwood 54 - 60"	\$18.95
#1462 Dogwood 48" w/Bear Bell	\$18.95

**Order From  
1-800-SCOUTER Today!**

Include \$3 shipping per stick. All sticks are crafted by hand to be close to the specified size, and are unique in size, bend and finish. Shorten stick to size by removing the rubber tip on the bottom, cut to size then reinstall the tip. It's simple.

## The Compressor

One of the best space-saving ideas ever developed for back packers and campers everywhere. *The Compressor* reduces the air & lofty items, leaving more room for essential gear. Originally designed for sleeping bags, it performs equally well on bulky items of clothing, pillows, etc. This unique, ultra-lite design, equals or exceeds anything else on the market today!

## SCOUTMASTERS!

Tired of RV's, concrete slabs, and Loud Portable Stereos on Campouts?

Why bother taking the family or troop on weekend campouts if you are stuck in places like this? Menasha Ridge Press is proud to announce a new series of books for anyone who wants to spend a quiet weekend of Tent Camping in places not often traveled.

These guides, available from the 1-800-SCOUTER Catalog are just a few of the great Outdoor books you can order directly from Menasha Ridge Press. Send in the attached reply card on page 43 to get their full catalog of hundreds of great outdoor books.
